CUSTOMER SUPPORT

Contact info@oso.tc or visit **myplantlink.com** for FAQ.

CONNECTIVITY REQUIREMENTS

The Basestation requires an always-on internet connection and a router or switch with one available ethernet port. Most wireless routers will work fine. Access to the web application and notifications requires a free PlantLink account and internet connectivity.

COMPATABILITY

PlantLink is compatible with the SMARTTHINGS™ basestation.

MANUFACTURER WARRANTY

OSO Tech Guarantees 100% customer satisfaction. If you are unsatisfied in any way with your PlantLink base station or Link product, please contact us via email and we'll make it right.

Give your plants a voice.

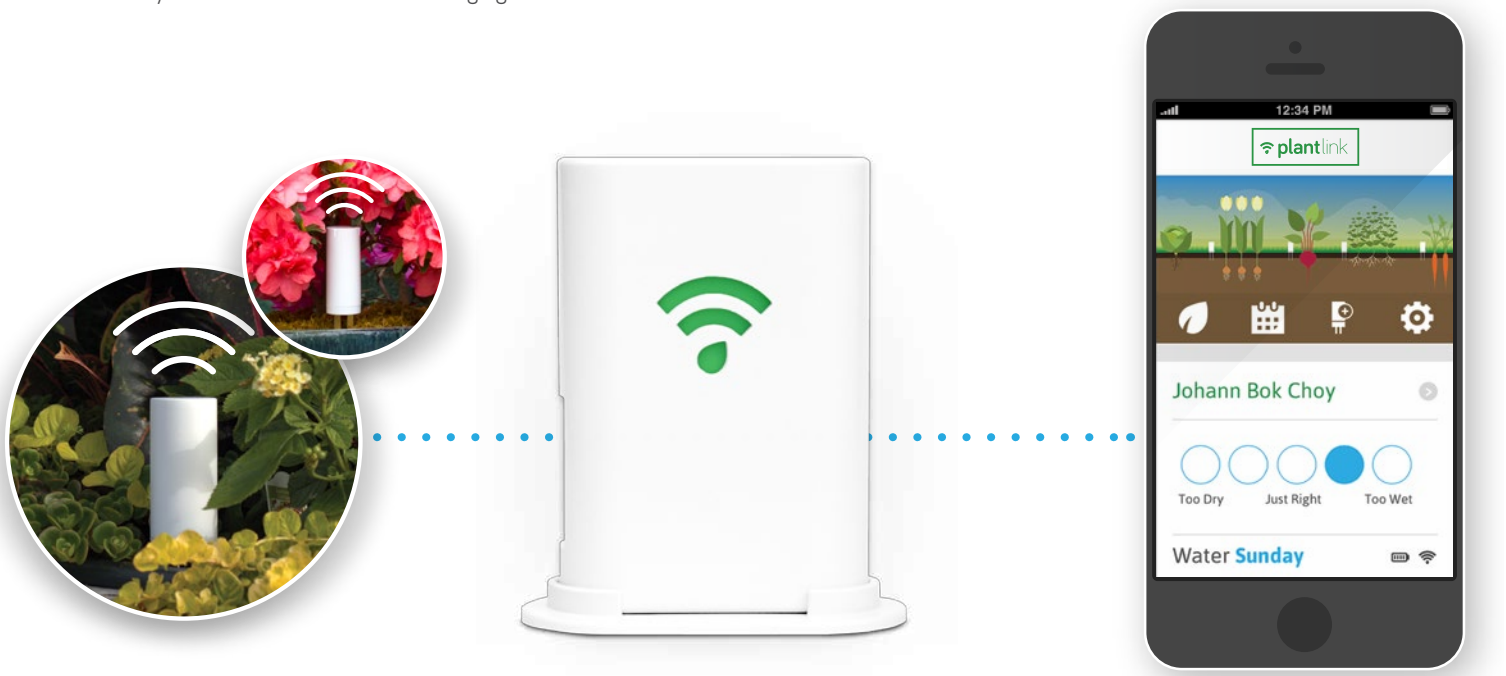
Connect to plants with Plantlink.™

plantlink wireless soil monitoring system

PlantLink™ tells you when your plants need water.

HOW IT WORKS

PlantLink™ makes watering simple and efficient. By combining moisture sensors with the free PlantLink™ app, PlantLink™ lets you know when your plants need water. Simply place Links in soil indoors or outdoors, and the system will calibrate to the plant's watering needs using our catalog of over 50,000 plants. Never worry about over or under-watering again.



1

Links, placed indoors or outdoors, send signals to the PlantLink™ Basestation.

2

The PlantLink™ Basestation connects to the internet via wireless router.

3

The FREE PlantLink™ App receives real-time watering info.

SAVE YOUR PLANTS

PlantLink's watering schedules take the guesswork out of the watering process.

CONSERVE WATER

PlantLink™ will prevent you from over or underwatering your plants and also helps to reduce your water expenditure.

REMOTE MONITORING

Check on your plants anytime, anywhere, via smart phone, tablet, or computer

CUSTOM ALERTS

Specify your preferred time of day to receive watering alerts via email, SMS, or push notifications.

SIMPLE TO INSTALL

Set up in less than 5 minutes using our easy-to-follow setup on the myplantlink.com

SCALABLE

Each Basestation can support up to 64 links to meet your growing needs.

PLANT-SPECIFIC ALGORITHMS

Different plants have different watering needs; our system take this into account and creates the perfect watering schedule for you.

LONG BATTERY LIFE

Batteries included, Link batteries will last over a year.
